"Enabling hopeless and underprivileged people again and become a hope in their hopeless world"

Dear SHIF,

Thank you most warmly, for the support and efforts rendered to us and please with much gratitude from the bottom of the heart we are so appreciative to the **Haella Foundation** for cooperating with SHIF in helping Amazing Grace Community School. **HAELLA FOUNDATION**, thank you so much for more donation to us, for the construction of a classroom block =2500 Euros (€) = **11,197,500** Uganda shillings (Ugx). There was a reduction of **100,000** Ugx (22.32€) by the bank for money transfer. The actual amount received/dropped on our bank account was **11,097,500** Ugx = **2,477.67** € at a rate of 4,479 Ugx per 1€ (we were lucky that the exchange rate was a bit good by then). Then we tried to top up and came up with that below.

This money moved the structure to a big level. Now our big prayer is to make it to its accomplishment with roofing and closing so as children can start studying in it. Attached are the photos of how it went.

Your continuing support to us and cooperation with Sure House Initiative Foundation (SHIF) is indeed appreciated. Looking forward to hearing from you always and May God bless you in all your life endeavors.

"Long live **HAELLA FOUNDATION**, long live **SHIF**".

Yours in service;

Frank Tamale and Benita Bukirwa.
